GAUGE HATCH

6000 SERIES

6000 SERIES

The Groth 6000 Series provides access for gauging or obtaining product samples from storage tanks. The Model 6100 incorporates a positive cover hold down which assures a premium tight seal on tanks with internal pressures up to 3 psig. Gasketed covers are recommended on tanks with high pressure settings.

Technical Details

- Sizes: 4" (DN 100) through 10" (DN 250)
- Materials: Aluminum, Carbon Steel, Stainless Steel, special materials upon request

Features

- Designed to assure uniform seating
